Notice of Changes to Organization and Personnel Changes

At the Board of Directors meeting held on January 25, 2019, the Company made decisions on organizational changes and personnel changes, as described below.

Particulars

1. Changes to organization (as of February 1, 2019)

- 1) Corporate Planning Division will be newly established to develop and promote growth strategy consistently across products, applications, functions, and regions. To be placed under its control will be Planning Department, Group Companies Administration Department, Market Strategy Department, and Sales Engineering Department.

Following the foregoing changes, the current organization will be restructured as described below:

- Planning Department (reporting directly to the President), Global Affiliated Companies Administration Department in General Administration Division and Sales Engineering Department in Global Sales Division will be abolished.
- Marketing Department in Global Sales Division will have a certain part of its functions transferred to Market Strategy Department in Corporate Planning Division, and will be reorganized as Sales Management Department.

- 2) In order to consolidate management of domestic sales functions, area groupings in Domestic Sales Department will be abolished.
